## **USEFUL INFORMATION**

### **MEN'S SECTION**

The Men's Section is very active and has many competitive opportunities internally and externally.

Sunday mornings are the largest gathering of the Men's section with a regular weekly competition **throughout** the summer months (£3.50 to enter). These are traditionally a shotgun start (everybody starts at the same time from different tees) this means everybody finishes at the same time and then meets in the clubhouse to swap stories, have a drink and receive prizes. The Club Captain will also issue out humorous fines, with all proceeds going towards his chosen charity. Signing up to play is a simple call or email to the Club office. If it's your first Sunday please let the office know and they will start you off with a member of the committee, just to help you along the way. In the winter months the section runs a pairs winter league.

There is a midweek competition which runs Monday to Thursday, with cards being submitted via The Pro Shop. Ask in the office for further details of the format of the week.

The section also has matches against other clubs in Hampshire and Dorset. Details are on the club notice board and on the website. Players are selected by the Captain and he will try to make sure that anyone who puts themselves forward for the selection will get a game. The matches are usually 'friendly' but we also enter teams in county matches.

The club plays a midweek evening league during the summer months against the other clubs in the Forest. It is known as the Monty League and is a Foursomes format.

## **SENIORS SECTION**

The Senior section is open to all members of New Forest Golf Club over the age of 55 years. It is renowned for its friendliness and camaraderie.

Their aim is to provide members with competitive and social golf in a friendly atmosphere on a Tuesday and Thursday morning starting at 8.30 with a shot gun start. If you want to join in the fun either turn up on the day or ideally give the club a ring and we will put you on the start sheet.

They also play social matches against other clubs in Hampshire and Dorset. Players are selected by the Seniors' Captain and he will try to make sure that anyone who puts themselves forward for the selection will get a game.

Seniors Captain: Barry Nicholas

## **LADIES SECTION**

The Ladies section play regular games on Wednesday mornings and Sunday afternoons. Every 1<sup>st</sup> Wednesday of the month is treated as fun games, these can range from formats such as 3 or 5 club challenges, to Texas scrambles. They also compete in friendly matches with our Junior, Senior and Men's club members.

During the summer months the Ladies get together with other clubs for friendly matches, home and away, which give great opportunities to make more golfing friends and, improve golfing skills playing on other courses. For the more competitive players, they have in house yearly competitions, such as Pairs, Foursomes, Mixed Foursomes Cups and not forgetting the Championship. The Ladies also encourage players to enter the Daily Mail Foursomes, and Mixed Badger Cup competitions.

Our Clubhouse has a friendly and enjoyable atmosphere, which serves excellent food and drink. We welcome all newcomers and look forward to meeting new lady golfers.

## **JUNIOR SECTION**

The Junior section is a very important part of our golf club.

In the last year the Junior section has increased quickly due to regular weekend coaching.

Central to the development of the Junior membership is our coaching system, which takes place every Saturday afternoon at 3.00pm. Small groups of similar ability are taught the technique of the swing and how much fun you can have when put into practice on the golf course.

As the season progresses Junior competitions will be held on a regular basis and junior golf camps will be organised during the summer holidays.

Any Junior who registers on the coaching courses, which start in April, will receive a 50% reduction on their annual membership fees.

## **RECIPROCAL AND OPEN COMPETITIONS**

As a member you are able to play other courses on our reciprocal list, currently 14 courses are available. We need to book these on your behalf, so pop into the office or give us a ring.

As a member of our club you can also play in other clubs open competitions, details of these are displayed in the club or through your section.

## **SOCIALS**

The club has an exciting programme of social events ranging from race/quiz nights through golfer/non-golfer fun evenings to our annual dinner dance. A draw is held at each function and if in attendance you stand to win a cash prize.

All social events are publicised on our website or notice boards.
